BBA certificate transfer of ownership

To whom it may concern,

I, Durisol UK, have transferred ownership of the BBA Certificate to ECOBRIX-UK and as a result, they can act as the new owner of the certificate. Therefore, this document shall be legal as of 20/09/2023, as ECOBRIX-UK has been appointed the new owner due to purchasing the business and its intellectual property.

I appreciate your consideration.

ECOBRIX-UK

Best regard,

Durisol UK

Durisol 365 ICF Wall construction System

Description of Product

This is an assessment of Durisol 365 ICF Wall construction System. The system provides a dry laid insulated shuttering system that incorporates, following the concrete pour, a Lattice/Matrix structural concrete frame. The system has achieved BBA Certification and a BRE Environmental profile rating of A. The BRE profile is currently at renewal stage and an application has been made to renew the certificate.

Key Factors Assessed

- Mechanical Resistance & Stability
- Safety in case of Fire
- Health, Hygiene and Environmental
- Safety in Use
- Protection against noise
- Energy Economy and heat retention
- Durability serviceability and identification
